

All officers present minus John Gephord and Bob Hood.

Members present: 20

General Fund \$3490

Maintenance Fund \$1397

A lengthy productive discussion pertaining to our insurance woes encompassed much of the meeting.

Currently landowner Gene Timmerman has not been able to find insurance (thru his current agent) which will cover him as well as exclude Dirt Riders with their separate policy. His current agent has recommended he look elsewhere for a different insurance provider to help with the matter.

President Steve Arteman has made contact with a Country Companies agent and the required paperwork with this new company has been sent to Gene for review. We will let you know as soon as we hear of a change in the insurance status.

Steve Schollmeier made the announcement that the Wounded Warrior Charity Race will be postponed this year until the insurance issue is resolved.

Jay Hall: The District 17 race in Oakford is scheduled for June 26. 400 additional acres have been added this year.

See Jay for helping out on race day.

If you are an AMA member look at the attached instructions for voting for our trustee.

Tentatively the next meeting will be at the Argenta firehouse July 5th 7:00pm.
