The meeting was called to order about 7:10pm with 5 members and 4 officers present.

There were no minutes from the last meeting.

The only old business was motions from the August meeting to temporarily; suspend the election of officers, suspend membership renewals and suspend the acceptance of new members. The motions were re-read, there was a debate period with no one offering debate. The motions were voted on and each motion passed unanimously.

The current officers will retain their position until the suspension is lifted at which time nominations will be conducted and the following month nominees will be voted for.

All current members will remain members until the suspension is lifted at which time renewals will be conducted immediately. New member applications may then be accepted at the same time or beginning with the following month. (the decision as to when will be decided when the suspension is lifted)

All current members are excused from meeting and work time requirements. You will remain a member unless you fail to renew at the opportune time.

The By-Laws and rules will inevitably change when access to the property is regained.

The Club is still a club. We will continue to have meetings the first Tuesday of each month and the website will be maintained.

The next meeting is Oct. 4th at 7:00pm at the Argenta firehouse.
